

OLC Chapter Twenty-Three (FERO) Vocabulary – TPRS Story

Est bellum. In bello, Iuppiter pugnat patrem Saturnum. In bello, alii offerunt auxilium Iovi, et alii offerunt auxilium Saturno. Atlas est Titanus qui offert auxilium Saturno. In bello, Iuppiter suffert et Saturnus suffert, sed tandem Iuppiter potestatem aufert. Iuppiter refert, “Atlas, tibi poeniam offero. Debes afferre orbem terrarum semper.” Et Atlas refert, “Iuppiter, affero orbem terrarum semper.” Itaque Atlas orbem terrarum confert et affert. Atlas multos annos suffert.

Olim, Hercules duodecim labores facit. Hercules debet conferre mala aurea. Hercules ad Atlas ambulat et refert, “Atlas! Debeo conferre mala aurea, sed est difficilis!” Et Atlas refert, “Hercules, offero auxilium. Si aufers orbem terrarum, et si non defers aut effers orbem terrarum, tum aufero mala aurea, perfero per multas terras, transfero trans multas aquas, et defero mala aurea tibi.”

Et Hercules refert, “Est bonus.” Itaque Hercules orbem terrarum aufert. Nunc, Atlas non suffert! Atlas multos dies ambulat et mala aurea aufert. Atlas per multas terras perfert. Trans multas aquas transfert. Mala aurea Herculi defert.

Sed, Atlas non orbem terrarum in umeris infert! Atlas refert, “Hercules, nunc tu orbem terrarum offers semper. Suffers semper!” Atlas ridet. Hercules refert, “Bonus est. Sed, volo invenire cervicalium pro meis umeris. Infer in tuis umeris orbem terrarum unum diem. Invenio cervicalium, et tum iterum orbem terrarum aufero.” Atlas refert, “Bonus est.”

Sed, Hercules numquam redit et numquam orbem terrarum aufert. Atlas semper suffert.

italicized = prop; underlined = perform action

<u>Key Vocab</u>	<u>Action</u>	<u>Prop</u>
